

Dear Parent,

The Ronald McDonald House Charities® of Maine Teen Ambassador program provides a vehicle for young people to become involved in the agency, merging civic engagement and leadership development for high school students. By engaging teens in our agency, we bring new energy into our mission-based work while developing future leaders of our communities. The Teen Ambassador program is operated and administered by trained RMHC Maine volunteers, adult Advisors, who will oversee the teen participants while at the House.

The Teen Ambassador Program session dates are May 2018 through April 2019. All applicants must be a current high school student entering grades 9-12. If selected, Teen Ambassadors must attend scheduled meetings and be an active participant in all activities and events. The Teen Ambassadors will meet approximately eight times during the school year and participate in 3 to 4 service projects. We estimate an average time commitment of 8 hours per month for a period of 1 year with the option to renew for additional years beyond that, provided the teen participant successfully meets his or her responsibilities.

Please note, two people unrelated to your teen will need to fill out the enclosed recommendation form and return it as part of the application packet. One reference must be from a school teacher, advisor, coach, guidance counselor or other community leader. References must be 21 years of age or older and non-family members.

After all the forms are received, we will contact your teen to schedule a personal interview. We will select participants for the program based on his/her qualifications and personal interview.

Applicants will be notified of their acceptance. Once your teen has been accepted into the program, the next step for any new Teen Ambassador will be to attend one mandatory orientation, dates to be determined.

Thank you for your allowing your teen to become part of this worthwhile program. Please feel free to contact me regarding any question you may have.

Regards,
